

Platinum Sponsors

Over the years there have been several companies that have stepped up and given our organization special financial support over and above their exhibit fee. The Officers and Board of Directors would like to recognize our Platinum Sponsors as presented below. In return we ask you, our membership, to support those companies in every way you can. Please go to their booths and thank them personally. This support has allowed us to present premier speakers from all over the world and to keep our dues structure the same for over 10 years.

Spring Meeting

NESP Hygiene Program

This year, the Board of Directors of the NESP is proud to announce an exciting member benefit to all current dues-paying members in 2013. Thanks to the ongoing support of our members and the continuing support of our exhibitors, we are able to offer a continuing education program dedicated

to your hygienists. On Friday, November 1, 2013, we will host a CE program for hygienists in addition to our regularly-scheduled NESP meeting. Both groups will come together for lunch. This has proven to be an exciting educational event for you and for one individual from your hygiene staff.

PROGRAM

8:00 – 9:00 A.M.	Registration and Exhibits	12:00 – 1:30 P.M.	Luncheon
